FY 2017

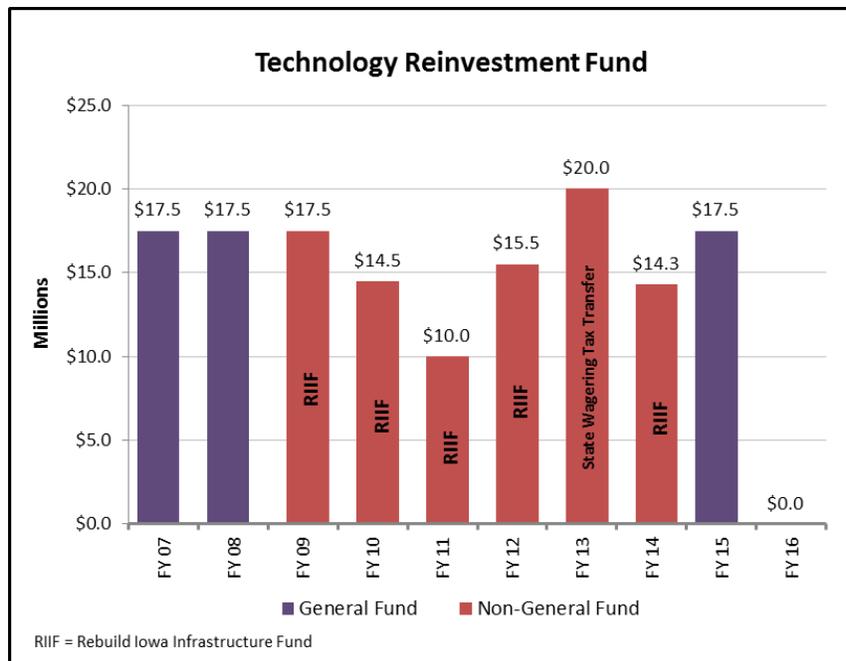

Technology Reinvestment Fund

Purpose and History

Iowa Code section [8.57C](#) establishes the Technology Reinvestment Fund for the purposes of acquiring computer hardware and software, software development, acquiring telecommunications equipment, maintenance and lease agreements associated with technology components, and the purchase of equipment intended to provide an uninterruptible power supply. The Fund was created in [Chapter 1179, 2006 Iowa Acts](#) (Infrastructure and Capital Projects Appropriations Act), under the direction of the Department of Management. Moneys in the Fund are to be used as appropriated by the General Assembly.

Funding

Iowa Code section [8.57C](#) provides a General Fund standing appropriation of \$17.5 million to the Technology Reinvestment Fund. From FY 2009 to FY 2014, the General Fund appropriation was notwithstanding, and the Fund received appropriations from non-General Fund sources. No appropriation was provided to the Technology Reinvestment Fund in FY 2016.
